Chapter 1 Introduction

Employees must return all University property and pay all outstanding balances before last day of employment. The Clearance Form is used to help facilitate the process. The Clearance Form can be completed using the paper or electronic version. The information collected on both versions is similar, but the process is different.

Clearance Form Process

Note: Administrative areas for the Clearance Form are Library, Key Control, Purchasing, Exchange, Parking, Panther Card, and Cashier’s Office.

Paper Version of the Clearance Form

The paper version of the Clearance Form usually starts and finishes on the last day of employment. The employee’s home department obtains the form and completes the Department section. The employee then walks the form around campus obtaining signatures from all Administrative areas. All University equipment must be returned and all fines paid at this point. If something is not returned, it will be noted on the form along with how much is owed. Once the employee obtains all the needed signatures the employee will walk the form to the Benefits office. Payroll will process the form taking any money owed to the University out of the employee’s last paycheck, or vacation payout. If neither option is available, a letter will be mailed to the employee and the information may be sent to collections. For more information on the paper version of the Clearance Form please contact the Payroll office.

Online Version of the Clearance Form

The employee’s home department initiates and submits the Online Clearance Form as soon as possible after the employee has given notice. When the department has completed the initial review, the form is automatically sent to the Administrative areas for processing. These areas will list any outstanding equipment or fines. Once a day if there are any updates made to the Clearance Form the employee will be notified by email.

The employee should return all equipment and pay all fines by the last day of employment. When the employee returns equipment or pays any outstanding balances, departments and Administrative areas can make changes to the form as long as Payroll is not processing it.

After the last day of employment, Payroll will process and complete the form taking any money owed to the University out of the last paycheck or vacation payout. The money collected will be journal back to the area in which the fine is owed. If there is not enough money to cover the amount owed, the employee will be notified about their options.
Process Overview

The following figure illustrates how the Online Clearance Form is processed.

Administrative areas: Library, Key Control, Purchasing, Exchange, Parking, Panther Card, and Cashier’s Office.

The employee’s department initiates and submits the Online Clearance as soon as possible after the employee has given notice about ending employment.

**Status: In Department**
Department completes the General, Contact, and Department tab and selects the status of Submitted for Processing. The Department can continue to make changes to the form while it is in Submitted for Processing.

**Status: Submitted for Processing**
When the form moves to Submitted for Processing the Administrative areas will be notified about the employee leaving. Each area will enter information regarding outstanding equipment and fines the employee will owe after the last day of employment.

The system will automatically send an e-mail to the employee notifying them of any outstanding fines listed on the Clearance Form. Once a day if any changes occur to the Clearance Form, the employee will receive an updated email.

Employee should return any missing items and pay all fines by last day of employment.

**Status: HR Review**
The form will automatically move to HR Processing and Payroll will complete the form when:
1. All Administrative areas have completed their initial review and there are no fines.
2. If #1 has not happened, the form will stay in Submitted for Processing for at least 10 calendar days after it was created and 7 calendar days after last day of employment; whichever is greater.

Once the form has moved to HR Processing only Payroll can make changes to the form. Equipment can still be returned and fines paid while in the status of HR Review or Closed.

If the employee has any outstanding fines, Payroll will take the money from the last paycheck or vacation payout. If there is not enough to cover the fines, the employee will be notified about their options. Payroll changes the status to Closed.

**Status: Closed**
Security Access

For all security access, besides Employee Security, please complete the Security Access form found on the HR webpage: http://www.gsu.edu/hr/30439.html

**Employee Security**: All employees will automatically be able to view the Online Clearance Form after it has been created for them using their Campus ID and Password. If the Campus ID has been shut off, the employee will not be able to log into the system, but will still be able to receive emails to the address listed on the form.

**Department Security**: Allows a user to input and view all employees Clearance Forms for a department or a business unit.

**Administrative Security**: Allows a user from select administrative offices (i.e. Cashier, Exchange, Key Control, Library, Panther Card, Parking, and Purchasing) access to process information regarding what is owed to their area. This access can only be granted to employees who work in the specified offices.

**Payroll Security**: This security provides access to process the form while it is in the status of HR processing and ability to move it to complete. This access can only be granted to employees of Payroll.

**Payroll Manager Security**: This security provides access to move the form from Complete to HR processing. Used rarely when an employee returns equipment after the form has been completed. This access can only be granted to Payroll Managers.

Chapter 2: Login to the Online Clearance Form

Step 1. Open an Internet browser and enter the following URL:  
http://www.gsu.edu/hr/payroll/online-clearance-form.html  
Next Select Logon to Online Clearance Form on the Right side of the page under Related Links.

Step 2. Enter User Name and Password:
- Enter your Campus ID in the User ID box
- Enter your Campus ID password in the Password Box
- Select Login  
  **Note:** If this is your first time logging into the system it may request you to enter your information twice or use the New Users Sign Up Here link below.

Step 3.
- After logging in, if the system does not show Clearance Form at the top right, click on the blue words and select Clearance Form (See picture below).
Chapter 2: Overview of the Clearance Form Home Page

The **Navigation Panel** provides easy access to major tasks of Creating Clearance Request, running Reports and Knowledge Base.

**a. New Clearance Request**: Will initiate a new Online Clearance form. After the form has been created and saved, it will be displayed in area **2**.

**b. Reports** section provides access to saved reports.

**c. Knowledge base** has helpful instructions and solutions for Numara. The Knowledge base can be found under the MORE dropdown on the right side.

**2. Display Section** shows all the Online Clearance Forms that you have created or have been assigned to you.

**Note**: Once the form has been completed, it will be removed from the list. To find a form that has been completed use the search function in area **3**.

**3. Search** allows you to find a clearance Form by using employee’s name, keyword, or number.

**Disclaimer**: The Online Clearance Form uses Numara. Therefore, not all functions that Numara supports are active in the Form. If you are interested in finding more about Numara, please contact IS&T.
Chapter 3: Department Initiate a Clearance Form

The employee’s home department initiates and submits the Online Clearance as soon as possible after the employee has given notice of termination.

I. Navigation:

Step 1
- Click on the New Clearance Request tab to start a new form.

Note: The first time you create a form it may ask your permission to allow pop-ups. Please choose Always allow Pop-up

II. General and Contact Information Tab:

Step 1
- Employee Name: Enter employee’s name (First, Last)

Step 2
- Enter information into one field: Campus ID, Last Name, or First Name and press Enter
- Select the correct employee if a list appears.
- Once the employee is selected it will automatically populate the Contact Information Tab

Step 3
- Very Important Change Email Address
- Change Email Address: The system will send the employee email updates about what they owe. If the campus email address will be terminated soon enter another email address.
III. Department Information Tab: Initial Information

- **Department Information**: Select Department Information Tab on left.
- **Note**: Some users are set up for scrolling instead of tabs. Scroll down to the Department section.

**Step 2**
- **ePAF Number**: Enter the ePAF Number corresponding to the termination ePAF for the employee.

**Step 3**
- **Effective Day**: Select the date after the last day of employment. Example: if the employee terminates on a Friday, select Saturday.
- **Note**: This date should match the date on the ePAF.

**Note**
After the ePAF number and the Effective Day have been entered, the form can be saved. **Important**: No other area can process the form until the Department Tab is completed and the status has changed to Submitted for Processing. For more information, please see page 12 Submitting and Save.

**Step 4**
- **Current Appointment Classification**: Choose the employee's current Appointment Classification from the drop-down list.

**Note**
For more information about Appointment Classification, please visit the HR website [http://www.gsu.edu/hr/](http://www.gsu.edu/hr/)

**Step 5**
- **Transferring within University System of Georgia**: Choose Yes from the drop-down list if the employee is transferring within University System of Georgia or State Merit Agency. Otherwise, choose No.
  - If Yes is selected in Step 5, a question about Name of school within University System will pop up.
  - Click the drop-down list and select the institution that the employee is transferring to

**Step 6**
- **Retiring**: Select Yes or No.
- **Note**: If the employee leaving is currently a Rehired Retire select Appointment Classification of Rehire Retiree and No for Retiring.
IV. Department Tab: Time Reporting Section

- **Historical Edits:** Are there any changes to the employee’s Vacation time, Sick Time or Hours Worked that cannot be entered into Etime? If so, select yes and explain the changes in the Time Period box.

- **Time Periods:** Explain the changes in employee’s time that has not been recorded in eTime. Please indicate the date and changes that needs to be made.

Note: A Timesheet or Report of Absence form must still be submitted to Payroll if changes cannot be entered into eTime.

V. Department Tab: Vacation Payout Section

Chapter 5: Administrative Processing

Administrative areas: Panther Card, Parking, Library, Cashier, Purchasing, Key Control, and Exchange

I. Administrative Areas: General Information

When the form moves to Submitted for Processing, it will automatically be placed in the Administrative areas work list. Each Administrative area will complete an initial review of the Clearance Form indicating any current outstanding equipment and/or fines owed to their area. Once a day if any changes occur to the Clearance Form the employee will receive an updated email, notifying them of any outstanding fines listed on the Clearance Form.

If the employee returns equipment or pays fines after the initial review has been completed, the current status will determine how the Administrative area should process the form (for more information please see Timing and Status Rules below).

It is recommended that each Administrative area review their list at least once a day in order to provide as much notice as possible to the employee about outstanding fines and equipment. If an Administrative area has not completed their initial review and there is less than seven days until the employee’s last day of employment, the system will begin sending daily email reminders to the area.

A. Timing Rules: Moving from Submitted for Processing to HR Processing

- If all Administrative areas have completed their initial review and the employee owes nothing, the form will move automatically to HR Processing.

- If the above criterion has not been met, the form will stay in Submitted for Processing until it has been open at least ten calendar days after initiation and seven calendar days after the last day of employment, whichever is greater.
  
  Example 1: Employee’s last day of employment is June 30th and the form was created on June 1 it will stay in Submitted for Processing till July 7th if the employee owes money.

  Example 2: Employee’s last day of employment is June 30th and the form was created on June 30th it will stay in Submitted for Processing till July 10th if the employee owes money.

B. Administrative Processing Rules for Each Status:

Note: The rules listed below for fines do not apply to Key Control. Key Control cannot take accept payments at their office at anytime. If payment is due for Key Control the employee will be sent to Payroll to make payments.

- Submitted for Processing: In this status, Administrative areas can accept equipment and payments for fines at their office. The Administrative areas are responsible for updating the Clearance Form.

- HR Processing: In this status, Administrative areas can accept equipment and payment for fines at their office. The form will not be able to be updated by the Administrative areas so an email must be sent to the Payroll office to update the form.

- Closed: Administrative areas can accept equipment at their office. If equipment is received, an email must be sent to the Payroll office to update the form and arrange for a refund for the employee. If the employee would like to pay a fine, please send them to the Payroll office.
II. Administrative Areas: Navigation

Finding a Clearance Form:

1. **Display Section**: Displays a list of Clearance Forms that are waiting for your area to process. Select the drop down next to Display to find the Clearance Forms waiting for a specific Administrative Area to process.

2. **Employee Name**: and other titles above the list help to determine the correct Clearance Form for editing. To sort by column double click the name heading.

3. **Clearance Request #**: This shows a unique number assigned to each Clearance Form. By selecting on the paper and pencil next to the number you can access and edit the Clearance Form.

4. **Search**: The search function narrows down the Clearance Form list and displays forms that have had been removed because the initial review had been completed.

Opening Clearance Form:

1. A. Select the Clearance Form number or employee name to open the form. The form will always open on the Description Tab (shown below) select desired tab to view information.  
   **Note**: If you are if you are not an Administrator or Payroll you will only be able edit the Department and Contact Information Tabs.

2. If edit is shown at the top of the screen select it to update the Department information tab.
III. Administrative Areas: Initial Entry: All the administrative areas follow a similar process; Library will be used as an example to illustrate the procedures. Exceptions for each area will be listed in on page 19.

V. Administrative Areas: Differences in Processing Each Administrative Area

The Administrative areas will process the Clearance Form as shown in Sections I-IV. This section describes the differences in processing for each area.

A. Cashier

• Cashier only has **Outstanding Obligations** no equipment or books.
• Cashier office must enter speed type in **Cashier Speed type field.** If nothing is owed then enter N/A in field.

B. Exchange

• The Exchange will process the form as shown above for the Library.

C. Key Control

• Key Control does not have any late fees and will enter the number of keys checked out originally.

D. Purchasing

• Purchasing has three cards (**Fuel Card, AMEX, VISA**), but no fines. For each card, the Purchasing Office will select: 1. Returned (Yes, No, N/A), 2. Card#, 3. Date

E. Panther Card

Leave Balance Tab

The Leave Balance tab is used by Payroll to record an employee's final number of hours sick and vacation. This tab will be read only to all users except Payroll. The final balance of vacation and sick hours is calculated using the following formula. If you have any questions about the Leave Balance Tab please contact the payroll office.

1. Payroll will enter the current number of hours of sick and vacation listed in Etime.
2. Payroll will then record any vacation and sick time that is not in Etime. This will subtract from the current number of hours sick and vacation.
3. If the employee has a negative balance it must be subtracted from their paycheck due to tax laws. The amount taken out of the paycheck will be entered into Payroll Adjustment boxes. Since the employee will have to pay for any negative time this will bring the negative hours to zero.
4. If the employee is scheduled to earn additional vacation or sick time, Payroll will enter it in the Pending Accrual.

The Assignees and Notification tab is used to assign people access to the Clearance Form that normally would not be able to see and process the form. Access is given automatically to the department that created the form and all Administrators and Payroll. This tab will only need to be used if additional people need to access to the form.

Example: If an employee of the Chemistry department also worked on a grant in the Biology department, the Chemistry department may need to assign additional access to the Biology to sign off on the form.

**Notes**

The **Workspace Members** field lists everyone who has security access to Clearance Forms other than their own.

The **Assignees field** lists all employees or areas that will have access to that specific Clearance Form.

**Step 1**

- Under Workspace Members field, find the department you wish to assign.
- Expand the department and highlight a single person or choose Assign Team to give everyone in the department access.

**Step 2**

- Select the arrow facing right to move the person or department to the Assignees group, providing access to see the form.

**Step 3**

- Click the left-pointing arrow to transfer the selected **Assignees** back to the **Project Members** box.
Appendix: Value of Equipment

How to Determine the Depreciated Value of Equipment

The Board of Regents’ Business Procedure Manual states that the depreciated value of equipment should be determined by the straight-line depreciation method (historical cost, divided by useful life).

The historical cost of an item is the amount the equipment cost when it was acquired by Georgia State University.

Important Note: There is a minimum charge of 10% of the historical cost; therefore the charges for equipment taken by employees will be the depreciated value or 10% of historical costs, whichever is greater.

Example:

A video projector was bought for $1000 and has a useful life of 5 years (60 months). The video projector was bought 2.5 years ago (30 months) ago.

Historical Cost= $1000

Useful Life= 30 months used/ 60 months total useful life= ½ useful life

$1000 * ½= $500 Current Value
Appendix: Letter for Employee to Explain the Online Clearance Form

Below is a letter that departments can hand out to employees to help them understand the Online Clearance Form. This letter can also be found on the website: https://helpdesk.gsu.edu/MRcgi/MRentrancePage.pl Note: To log in you will need your Campus ID and password.

All university property must be returned and all fines and advances paid before your last day of employment or it may be deducted from your last paycheck or vacation payout. If there are insufficient funds, you will be sent an invoice indicating the amount due.

The Clearance Form tracks property and payments that are due to the University when an employee terminates employment. With the Online Clearance Form, instead of walking a paper form around campus, you will receive emails updating you about any amount you owe. The emails will list the total amount due to each area. When you return equipment and pay outstanding balances you will receive an updated email the next day indicating the adjustment on your account.

The Online Clearance Form emails will automatically go to your campus email address. If you wish to have the emails sent to another address, please provide this to your home department.

You can view additional information about monies and property you currently owe at: https://helpdesk.gsu.edu/MRcgi/MRentrancePage.pl

Appendix: Example of Automatic Email Sent to Employee

When a Clearance Form is in the status of Submitted for Processing it will send an email to inform the employee of what is currently owed on the form. The system will automatically send an email once a day if any changes occur on the form. **Important:** If the employee’s Campus Email address or Campus ID will be turned off immediately, please update the Clearance Form with a valid email address for the employee.

Dear Christina Stark,

All university property must be returned and all fines and advances paid before your last day of employment or it will be deducted from your last paycheck and/or vacation payout. This and subsequent emails will provide information about how much you owe to each campus office listed below. You will receive email notifications to your current email address on record as updates are made. If this email address will be discontinued, please provide your home department an email address where you can continue receiving these updates.

If any outstanding property is not returned and/or payments for any fines, impress funds or project/travel advances are not paid by the last day of employment, the total amount will be deducted from your final paycheck and/or vacation payout. If there are insufficient funds, you will be sent a letter indicating the amount due.

You can also view this and additional information at: Click here to view Issue in Browser.
Note: To log in you will need your Campus ID and password.

Please note that important benefits information can be obtained at:
http://www2.gsu.edu/~wwwhre/benefits/ClearanceInfo.pdf or One Park Place South, 3rd Floor, 404-413-3302

Also an anonymous exit survey maybe emailed to you. The information gathered from the survey is used for employee retention purposes only.
If you have questions please contact the corresponding office listed below.
