Description

If you're looking to stay on track with your training, want to participate in a race without travel, and support a great cause, then the Paws for Diabetics Virtual 5K and Half Marathon Challenge is just what you're looking for!

This is a national event. All are welcome to join. Run your own race at your own pace. You can use the treadmill, run outside, your own course or even another race. The purpose of this event is to get everyone active and moving while supporting a great cause. You have a week to complete the distance if you want/need.

Event information:

- Name: Paws for Diabetics Virtual 5K and Half Marathon Challenge
- Date: November 9th - 15th
- Cost: \$25 includes 5K or Half Marathon entry, finisher's medal and Bib in the mail.
- Note: Registration will close at 300 registrants

Proceeds from this virtual event will Benefit the American Diabetes Association's Get Out & Walk for Diabetes. You will also gain Membership Reward points that you can use to donate to the American Diabetes Association or splurge on yourself. See the rewards program for details.

Once you sign up for your account, you will be able to chat with other registrants, post your status or even setup a run in your community to run with friends. You can upload your challenge time and a photo the [iRun Against Diabetes](#) via the RESULTS page.
